RESOLUTION

Determining a
course of action

Our world is being ruled by the ever-growing evil of
indifference, a callousness to those around
us because “it” doesn’t affect us... until it does.

**A successful revolution
requires three elements...**

- 1. Saying “Yes” to An Idea**
- 2. Pursuing a Clear Mission**
- 3. Developing Followers**

Saying “Yes” to An Idea

The idea that the world is worth saving, without exception; and therefore, deserving of our unconditional love.

Pursuing a Clear Mission

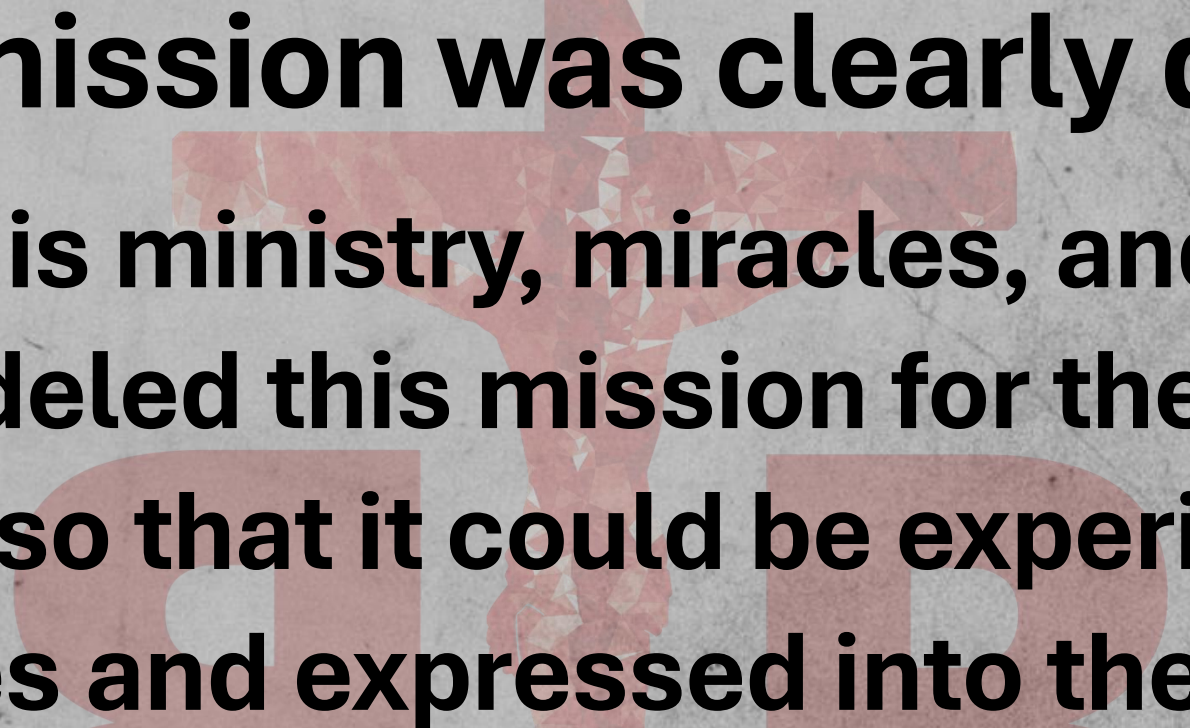

Matthew 4:1-17

Jesus walked through the fire

“GET OUT OF HERE, SATAN”

and then came out on fire.

“THE KINGDOM OF HEAVEN IS NEAR”

**Jesus' mission was clearly defined.
Through His ministry, miracles, and teaching
Jesus modeled this mission for the disciples
(and us) so that it could be experienced in
our lives and expressed into the world.**

TURN | LOVE | DO | GO

In order to pursue this clear mission, we must...

TURN | LOVE | DO | GO

Jesus began to preach, “Repent of your sins and turn to God...” (Mt 4:17)

We must recognize the sin in our lives, receive the forgiveness of Christ, and strive towards righteousness.

In order to pursue this clear mission, we must...

TURN | LOVE | DO | GO

“So now I am giving you a new command: Love each other.” (Jn 13:34)

Loving others and loving God must manifest itself through encouragement, grace, accountability, kindness, etc.

In order to pursue this clear mission, we must...

TURN | LOVE | DO | GO

*“This is my body, which is given for you.
Do this in remembrance of me” (Lk 22:19)*

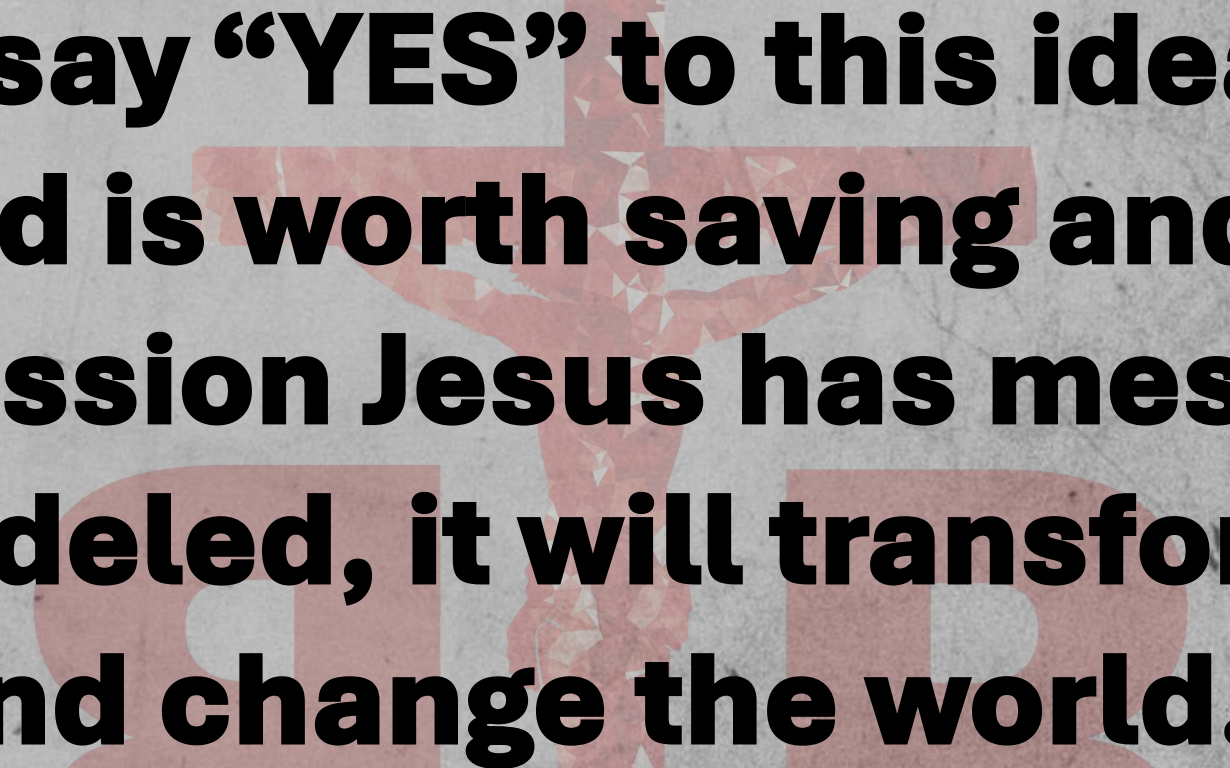

**The life we live is not our own; our
motivation to passionately pursue this
mission must be rooted in our Savior.**

In order to pursue this clear mission, we must...

TURN | LOVE | DO | GO

*“Go into all the world and preach the
Good News to everyone”* (Mk 16:15)

**To know Jesus is to make Him known.
My faith isn't just about me; we must
proclaim this truth to all the world.**

**If we say “YES” to this idea that
the world is worth saving and pursue
the mission Jesus has messaged
and modeled, it will transform lives
and change the world...**

Let's start a revolution!
