RESOLUTION

Determining a
course of action

Our world is being ruled by the ever-growing evil of
indifference, a callousness to those around
us because “it” doesn’t affect us... until it does.

**A successful revolution
requires three elements...**

- 1. Saying “Yes” to An Idea**
- 2. Pursuing a Clear Mission**
- 3. Developing Followers**

Saying “Yes” to An Idea

The idea that the world is worth saving, without exception; and therefore, deserving of our unconditional love.

Pursuing a Clear Mission

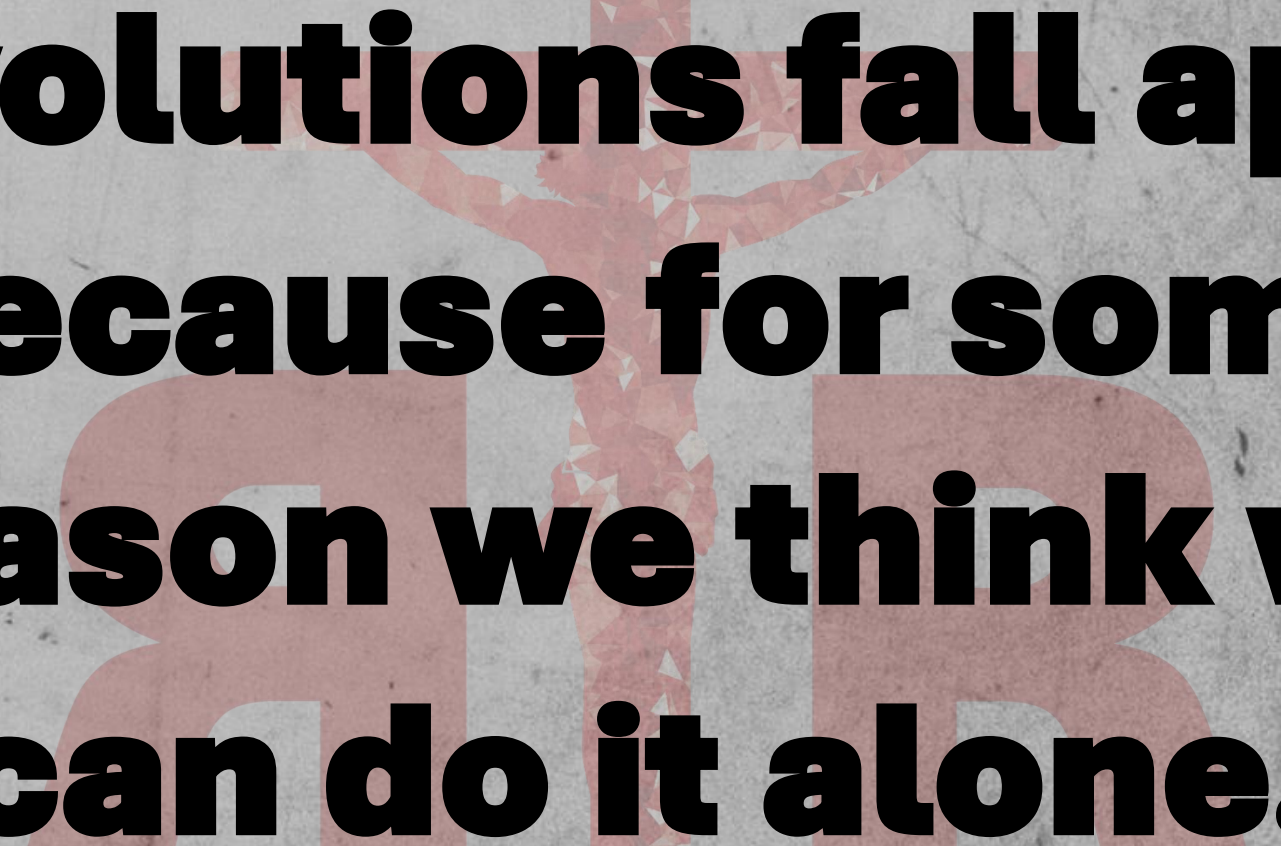

**A mission that calls us to repent
and turn, learn to love, do in
remembrance of Christ, and to
go transform the world.**

Developing Followers

Matthew 4:18-25

Jesus invited others to join His journey; and not the one's with the most prestigious pedigree, but the ones who would catch the vision.

**Revolutions fall apart
because for some
reason we think we
can do it alone.**

Developing Christ-Followers Is A Journey

L. SEE THEM

Matthew 25:37-40

**Pursuing the mission requires us to
look around and see the people whom
God has placed in our path.**

Developing Christ-Followers Is A Journey

O. SHOW THEM

John 5:24-26

In seeing them, we have to be willing to show them that a life with Jesus is far greater than one without Him.

Developing Christ-Followers Is A Journey

V. SERVE THEM

Mark 10:42-45

**In showing them, we cannot leave them
to fend for themselves; we need to
walk with them and serve them.**

Developing Christ-Followers Is A Journey

E. SEND THEM

Luke 24:46-49

In serving them, we also send them to witness to those God has placed in their path to join the revolution.

Developing Christ-Followers Is A Journey

L. SEE THEM

O. SHOW THEM

V. SERVE THEM

E. SEND THEM

Developing Christ-Followers Is A Journey

L. SEE ME

O. SHOW ME

V. SERVE ME

E. SEND ME

Nowhere on this list does it say “SAVE THEM/ME” because that’s not our job. Jesus is the Savior; our job is to simply help people experience Him.

If we say “YES” to this idea that the world is worth saving and pursue the mission Jesus has messaged and modeled and develop Christ-followers, it will transform lives and change the world...

Let's start a revolution!
