

WORSHIP LEADER OPPORTUNITY

Mt. Comfort Church is looking for its next Worship Leader; a musician who loves Jesus and is passionate about helping others experience Him through worship.

This is currently a less than full-time position, but the salary/hours are negotiable depending on experience and skill set. Our next Worship Leader should be a team player, great communicator, able to recruit and equip volunteers/musicians, adept in current technology, and always striving towards excellence. The best candidate would have an engaging stage presence, great singing voice, and lead from guitar or piano.

Mt. Comfort Church, one church in two locations, stands upon a legacy of dedicated servants, tracing back over 140 years, who created a foundation of community service through missions, worship, faith development, and more. Over the past five years, three distinct congregations have come together as one to better serve the ever-changing needs in our community. Our collective heart beats with a passion for helping people experience the transforming power of Jesus Christ in their lives. We believe this happens through our GATHERING together, GROWING in our faith, GIVING of ourselves, and GOING out into the world. God is powerfully moving in our midst, and we'd love for you to join the journey.

Around 250 people call MCC their church home, with an average attendance of around 150 between the two campuses. We enjoy a modern style of worship; blending together the contemporary and traditional to create a worship experience that will both encourage and inspire people along their faith journey. We have an active kids ministry, student ministry, missions/outreach focus, community connection, and preschool/child care; all of which centers around our mission to transform our lives, our community, and our world through the love and power of Jesus Christ.

For more information about our church visit www.MtComfortChurch.com. We are excited about what God is doing in and around our church and have no doubt He'll provide that perfect person to help us move into the next season of worship and ministry. This role has the potential to expand to include communications and/or student ministry should that be an additional calling/gifting. If you think you'd be a great fit, we would love to talk to you.

TO APPLY... Please send a cover letter and your resume to Pastor Ethan Maple at ethan@mtcomfortchurch.com. Also, include any relative links that would help us get a feel for your worship leading and/or musical style and skills.
